## CHAPTER \_\_\_\_\_

An act to amend Sections 19596.2 and 19613 of the Business and Professions Code, relating to horse racing.

## LEGISLATIVE COUNSEL'S DIGEST

AB 2693, Committee on Governmental Organization. Horse racing.

Existing law authorizes a thoroughbred racing association or fair to distribute the audiovisual signal and accept wagers on the results of out-of-state thoroughbred races conducted in the United States during the calendar period the association or fair is conducting a race meeting, including days on which there is no live racing being conducted by the association or fair, without the consent of the organization that represents horsemen and horsewomen participating in the race meeting and without regard to the amount of purses. Under existing law, the total number of thoroughbred races imported by associations or fairs on a statewide basis under this section shall not exceed 50 per day on days when live thoroughbred or fair racing is being conducted in the state, with the exception of prescribed races, including races that are part of the race card of the Kentucky Derby, the Kentucky Oaks, the Preakness Stakes, the Belmont Stakes, the Jockey Club Gold Cup, the Travers Stakes, the Arlington Million, the Breeders' Cup, the Dubai Cup, or the Haskell Invitational.

This bill would exempt from the 50 race per day limitation, races that are part of the race card of the Arkansas Derby.

Existing law requires a portion of the funds deducted from purses to be paid to a trainers' organization for administrative expenses and services rendered to trainers and backstretch employees.

This bill would specify that the referenced trainers' organization, known as the California Thoroughbred Trainers, Inc., is the plan sponsor for purposes of the federal Employee Retirement Income Security Act of 1974 (ERISA).

*The people of the State of California do enact as follows:*

SECTION 1. Section 19596.2 of the Business and Professions Code is amended to read:

19596.2. (a) Notwithstanding any other provision of law and except as provided in Section 19596.4, a thoroughbred racing association or fair may distribute the audiovisual signal and accept wagers on the results of out-of-state thoroughbred races conducted in the United States during the calendar period the association or fair is conducting a race meeting, including days on which there is no live racing being conducted by the association or fair, without the consent of the organization that represents horsemen and horsewomen participating in the race meeting and without regard to the amount of purses. Further, the total number of thoroughbred races imported by associations or fairs on a statewide basis under this section shall not exceed 50 per day on days when live thoroughbred or fair racing is being conducted in the state. The limitation of 50 imported races per day does not apply to any of the following:

(1) Races imported for wagering purposes pursuant to subdivision (c).

(2) Races imported that are part of the race card of the Kentucky Derby, the Kentucky Oaks, the Preakness Stakes, the Belmont Stakes, the Jockey Club Gold Cup, the Travers Stakes, the Arlington Million, the Breeders' Cup, the Dubai Cup, the Arkansas Derby, or the Haskell Invitational.

(3) Races imported into the northern zone when there is no live thoroughbred or fair racing being conducted in the northern zone.

(4) Races imported into the combined central and southern zones when there is no live thoroughbred or fair racing being conducted in the combined central and southern zones.

(b) Any thoroughbred association or fair accepting wagers pursuant to subdivision (a) shall conduct the wagering in accordance with the applicable provisions of Sections 19601, 19616, 19616.1, and 19616.2.

(c) No thoroughbred association or fair may accept wagers pursuant to this section on out-of-state races commencing after 7 p.m., Pacific standard time, without the consent of the harness or quarter horse racing association that is then conducting a live racing meeting in Orange or Sacramento Counties.

SEC. 2. Section 19613 of the Business and Professions Code is amended to read:

19613. (a) Except as provided in subdivisions (b), (c), (d), (e), and (f), the portion deducted for purses pursuant to this chapter shall be paid to or for the benefit of the horsemen and horsewomen at the racing meeting, and may include obtaining, providing, or defraying the cost of workers' compensation coverage for stable employees and jockeys of licensed trainers. For purposes of this section, the trainers' organization referred to in subdivisions (b), (c), and (d), known as the California Thoroughbred Trainers, Inc., shall be the plan sponsor, consistent with the definition set forth in Section 3 of the federal Employee Retirement Income Security Act of 1974 (29 U.S.C. 1002(16)(B)), as amended.

(b) Any association other than a fair that conducts a thoroughbred racing meeting shall pay to the owners' organization contracting with the association with respect to the conduct of racing meetings for administrative expenses and services rendered to owners, an amount not to exceed two-thirds of 1 ½ percent of the portion, and to a trainers' organization for administrative expenses and services rendered to trainers and backstretch employees an amount equivalent to one-third of 1 ½ percent of the portion. That association shall also pay an amount for a pension plan for backstretch personnel to be administered by the trainers' organization equivalent to an additional 1 percent of the portion. The remainder of the portion shall be distributed as purses.

(c) Any other association may pay to the horsemen's organization contracting with the association with respect to the conduct of racing meetings for administrative expenses and services rendered to horsemen an amount out of the portion as may be determined by the association by agreement or otherwise, but, in all events, shall include, relative to a thoroughbred horsemen's organization racing, 1 percent of the portion for a pension plan for the trainers' organization. The remainder of the portion shall be distributed as purses.

(d) Notwithstanding subdivisions (b) and (c), any association conducting a fair racing meeting shall pay to the horsemen's organizations contracting with the association with respect to the conduct of races for their respective breeds of horses at the meetings for administrative expenses and services rendered to their respective horsemen those amounts out of the portion as determined

by the horsemen's organization for the respective breeds with the approval of the board. Pursuant to this subdivision, amounts not to exceed 3 percent of the portion for the owners' and trainers' organizations shall be distributed to any thoroughbred owners' and trainers' organizations contracting with an association for a fair racing meeting or participating in mixed breed racing meetings as follows: two-thirds of 1 percent to the owners' organization and one-third of 1 percent to the trainers' organization for administrative expenses and services rendered to both owners and trainers, 1 percent for welfare funds, and 1 percent for a pension program for backstretch personnel, to be administered by the thoroughbred trainers' organization.

(e) Any association other than a fair that conducts a quarter horse racing meeting shall pay to the horsemen's organization contracting with the association with respect to the conduct of racing meetings for administrative expenses and services rendered to horsemen, an amount not to exceed 3 percent of the portion. The remainder of the portion shall be distributed as purses.

(f) For racing meetings other than thoroughbred meetings, if no contract has been signed between the association conducting the racing meeting and the organization representing the horsemen by the time the racing meeting commences, the distribution of purses shall be governed by the following:

(1) If the association conducted a racing meeting within the past 15 months and a contract was in existence, for that meeting with the horsemen's organization and the association is conducting a subsequent meeting for the same breed or mixed breeds, the amounts payable to the horsemen's organization under subdivision (c) shall be computed under the provisions of the last signed contract between the parties.

(2) This subdivision applies regardless of the cause of the failure to execute a contract, whether that failure is a result of inadvertence or otherwise.

(3) For racing meetings that do not come within paragraph (1), the board shall, within 15 days after the commencement of the racing meeting, determine the amounts payable to the horsemen's organization for administrative expenses and services, and provide for the direct payment of those amounts.

(g) Amounts distributed pursuant to this section are derived from owners' purses.

(h) For the purposes of this section, the following definitions shall apply:

(1) “Owner” means a person currently licensed by the board as an owner of a thoroughbred racehorse.

(2) “Trainer” means a person currently licensed by the board as a trainer of a thoroughbred racehorse.

(i) This section shall become operative on January 1, 2008.
